## #MustRead – “Foolproof Guide to Getting the Job You Want Every Time”

Posted on Aug 3, 2015 Author MaseTV

If you're one of the lucky few who are absolutely in love with your job, then don't read this book. However, if you're one of many who aren't satisfied with their current employment, then consider getting expert career changing advice from hiring manager turned career coach **Lisa Quast**.

In ***“Secrets of a Hiring Manager Turned Career Coach: A Foolproof Guide to Getting the Job You Want. Every Time”***, Career Coach Lisa Quast provides the reader with a thorough blueprint on how to increase your chances of getting the job you truly want, every time you interview.

If you're someone who is looking for an easy to read step-by-step guide on how to get a job, or change your career, then this book is for you. *“Secrets of a Hiring Manager”* breaks down the job search process from deciding the job you want, to how to follow up after an interview.

When reading *“Secrets of a Hiring Manager”* you'll learn:

- How to find your passion and career aspirations
- Evaluate and understand your personal and professional skills
- How to properly prepare your resume and cover letter
- Polish your personal brand
- How to land and ace a job interview
- What to do after the interview

All this and more from a former hiring manager turned career coach. Each chapter introduces the reader to new ways to succeed in their job search and ends each chapter with key take aways. The back of the book contains some must haves on finding your passion, creating your SWOT Analysis, resume tips, and more.

*“Secrets of a Hiring Manager”* is the go-to source for learning how to get the job you want...every time. The smart, strategic, and sometimes sassy career advice for job seekers and career changers.
