UWIBrunches DC: Building Your Mentor Relationships from Good to Great!

April 13 @ 12:00 pm - 1:30 pm

On April 13th at 12:00pm, join other UWIB DC members for a discussion on building your mentor relationships from good to great by finding a perfect mentor for your career over a delicious brunch at Zaytinya. You will learn why a mentor is *essential* to your career, and how to set your partnership up for success!

The discussion will be based on three posts from Forbes.com:

1. [Finding a Mentor is Easier Than You Think](#) by Lisa Quast (Founder of [Career Women, Inc.](#));
2. [How to Start a Mentorship Relationship](#) by Chrissy Scivicque (founder of [EatYourCareer.com](#) and author of [How Nourishing is Your Career?](#)); and
3. [Four Kinds of Mentors Every Woman Should Have](#) by Kim Kaupe (Co-Founder of [ZinePak](#)).

Limited space is available, and each brunch attendee is responsible for the cost of their own meal. If there are any questions, please contact Anahita Nakhjiri, UWIB Membership DC, at anahita.nakhjiri@uwibfoundation.org or at 206.755.2764. Thank you!
